Dear Don,

Enclosed is a draft application to be filed as a non-provisional utility application at the USPTO. TEA patent agent Audunn Ludviksson, who will be in charge of this case at our end, prepared it. [REDACTED] we would like for Kristi Davidson to be the attorney for this case.

If Kristi has suggestions on how to revise or improve the draft application, she should contact Audunn Ludviksson directly to discuss the case. [REDACTED]

[REDACTED]
We have assigned this application case number TPS-007. We would like to have this application filed on or before [REDACTED]
[REDACTED]

Very truly yours,
